**Enchanted Hills
Camp, Napa,
California**

We return to the redwoods near Napa, CA — Enchanted Hills Camp is now completely renovated and even more enchanting!

Workshops include music, art and dance; nature walks through the redwoods, and more.

Inclusion: We believe that trans women are women, without exception. We believe that gender-expansive, nonbinary, or two-spirit people who feel most comfortable in/identify with women's spaces are welcomed and included in our work. When we say women+, we include these people.

UU Women and Religion was brought into being at the 1977 UU General Assembly, focusing on ending patriarchy in our denomination.
